BLUE PAW TRUST

dog's best friend!

08th July 2009

Ms. Otara Gunewardene,
Chief Executive Officer,
Odel,
475/32, Kotte Road,
Rajagiriya,
Sri Lanka

Dear Ms. Otara Gunewardene,

It is with great pleasure that we inform you Embark sponsored four mobile veterinary clinics for dogs and cats were successfully conducted during the month of June 2009. June 2009 was the first month of the 12 month long campaign to sterilize 1200 dogs and cats.

During the month of June 2009 we were able to sterilize (and vaccinate) 114 animals and vaccinate (only) 84 animals and treat 8 animals. Some of them were owned while others were community. As a result of this intervention these animals are now healthier, happier and safer.

Two clinics were held in Isurupaya, Battaramulla, one in Orugodawatte, and the other in Wellampitiya. The clinic sites were selected considering the number of animals available for sterilizations and vaccinations and considering the communities that will be benefited by our intervention.

We thank Channa Banduthilake and Ishan Fernando for their support and corporation in making this joint venture a success.

We are grateful to Embark, your personnel initiative, for sponsoring these clinics and making the lives better for dogs and cats.

The Clinic report is enclosed for your information.

Thanking you,

Yours sincerely,

Dr. Ganga de Silva
Veterinary Surgeon
